## **Notes**

1. Hours of Opening also known as supplementary hours. These are the actual hours of opening, which a pharmacy will provide to patients. Pharmacies may also open beyond their normal hour of opening; either via a rota service or an agreed service funded by NHS England or a pharmacy may open on a voluntary basis.
2. Core Hours. Under the new contract Community Pharmacies must be open for a minimum of 40 hours each week but they are free to set their own hours of opening as stated above provided the minimum of 40 is provided.
3. Rotas are undertaken as agreed with NHS England.
4. Other Services Provided

### **Enhanced services commissioned in Cheshire, Warrington and Wirral:**

#### **Important information before referring a patient to a community pharmacy:**

It is the named accredited pharmacist only who is allowed to provide the service.

Due to holidays, locum working arrangements, sickness, pharmacy not participating in the service etc... the chosen service may not always be available. In order to avoid unnecessary confusion/travel for the patient it is advisable to ring the chosen pharmacy to ensure that an accredited pharmacist is available.

- Minor Ailments Service (not available through all pharmacies. Ring to establish if service is available).
- Emergency Hormonal Contraception (not available through all pharmacies. Ring to establish if service is available).
- Stop smoking service (Not available through every pharmacy. Ring to establish if service is available).
- Supervised consumption (Not available through every pharmacy. Ring to establish if service is available).
- Needle and Syringe Exchange (Not available through every pharmacy. Ring to establish if service is available).
- Sharps service (Safe disposal of e.g. diabetics sharps returned by patients. Not available through every pharmacy. Ring to establish if service is available).
